

CLUB CRUISE TO THE TRAIN MUSEUM AND TO THE JOY CONE FACTORY

Saturday March 16th

This very special event will start at 11:30 with the staging of our cars in the Walmart parking lot directly behind Freddie's Restaurant. Wheels off at 11:45 AM Sharp. We will caravan down Route 89 to Fort Tuthill and assemble at Bldg. xx, the **Train Museum** at 12:00 Noon, for a private tour. Club member Curtis Deibel will be one of the docents presenting the tour.

At 12:50 we will travel across Hwy 17 to the **Joy Cone Factory**. Here again we will have a private tour of the factory, presented by club member Adrianna Penhaker! Afterwards we will enjoy an **ice cream treat**.

As this tour is done in an operating food manufacturing faculty, some special rules need to be observed. **Please see below for their operating rules so you are not surprised at the factory.**
