

Friday, October 30th

Park Santa Fe "Show N Shine"

Come out and have some Halloween fun. Decorate your trunk and safely pass out a Treat.

If you are participating don't back in your vehicle if parking along the highway side of the lot but head in, open the trunk, decorate it if you like and have some fun.

This is NOT being advertised to the public but it's just a way to enjoy the show n shine before the weather turns cold and we close down for the year. We have quite a few spectators stop by every Friday with kids and this is a way for us to close out the year in a good way.
