

# Jaunt to Haunt Jerome

## October 17<sup>th</sup> Saturday

This is a busy time of year in spooky Jerome, so we plan on arriving early for lunch (11:00am) which gives people the rest of the day to visit some of the interesting local HAUNTS. We are starting with lunch at the Jerome Grand Hotel at the very top of the town. They have ample parking for cars. They do not take reservations for parties larger than 8, so we will be seated "around". We MAY have a special treat waiting in the basement. *Muwahahahahahaha.*

**Time – Meet at 8:30 am at the Fort Tuthill entrance. Wheels up at 8:45 am.**

Our destination: <http://jeromegrandhotel.net/>

Cool places nearby – Admission (\$7.00 at each place) and masks may be required.

Jerome Historic State Park 100 Douglas Rd, Jerome, AZ 86331 <https://azstateparks.com/jerome>

Gold King Mine Ghost Town 1000 Perkinsville Rd, Jerome, AZ 86331 **LOTS OF OLD CARS.**

<https://www.facebook.com/goldkingmine>

TWO possible routes – one is through the Oak Creek Canyon switchbacks and Sedona. The other isn't. They take the same time. Choose whichever works best for you. We should not have much traffic through Sedona at that time of day.

Through Sedona –

1. At roundabout, take 2nd exit onto AZ-89A / S State Route 89A
2. Pass Days Inn Sedona
3. Turn left to stay on AZ-89A / E State Route 89A
4. Pass through 5 roundabouts, remaining on AZ-89A
5. Turn left onto Gulch Rd
6. Turn left onto AZ-89A / Main St
7. Turn right to stay on AZ-89A / Main St
8. Bear right onto Hill St Arrive at Hill St on the left. The last intersection is Giroux St

Down 17 through Cottonwood.

1. Merge onto I-17 S / Black Canyon Fwy S
2. At exit 293, take ramp right toward McGuireville / Montezuma Well
3. Turn left onto E Cornville Rd
4. Turn left onto AZ-89A / E State Route 89A
5. Turn left to stay on AZ-89A / E State Route 89A
6. Pass through 5 roundabouts, remaining on AZ-89A
7. Turn left onto Gulch Rd
8. Turn left onto AZ-89A / Main St
9. Turn right to stay on AZ-89A / Main St
10. Bear right onto Hill St Arrive at Hill St on the left. The last intersection is Giroux St
