CRUISE TO THE COMMEMORATIVE AIR FORCE MUSEUM

Mesa, Arizona

March 19, 2011

By Bob Bortree

ANOTHER GREAT TRIP FROM OUR EXCELLENT CRUISE DIRECTOR

Weather was great and our little group got together at the ADOT parking lot: Jerry & Sue Obrzut, Mike Whitaker, Mark & Kathy Strango & Family, Lowell & Sallie Page, Maggie & Bob Bortree and Robin Moore----- all of us in our drivers. Also, Jerry picked up his sister in Phoenix.

We managed to all make it to Mesa and find the Museum---the weather was fantastic. We spent about two hours shuffling around the grounds (that's what you do when you get to be a senior) looking at great airplanes and reading a lot of history.

- Got to see the B-17 fly in and park at the museum— what a sight.
- Was able to go through the B-17 which was built for much smaller individuals than me ---I declined.
- Looked at two beautifully restored P-51's that are regularly flown.
- Watched them work on restoring a MIG 15.
- Read a lot of military history and marveled at what our young men faced and accomplished during World War II.
- We did miss the B-25 which was out at Luke Air Force for an air show. See it next time.

We had a great time visiting this impressive little museum. It is well worth the \$10 entry fee to enjoy those great planes and pay homage to those who gave up their lives for our freedom.

We left the museum and headed over to Joe's Farmer's Grill which I had never heard of before (it is on Ray Road in Mesa). As Robin says, thanks to Arizona Highways, he is able to come up with a lot of potential ideas for places to cruise to. This was definitely another good one. Located in an orange grove, this purveyor of food is one to be remembered and returned to in the future. Many of the

products in the restaurant come right from their own farm.

It must be good as we waited about thirty minutes to get in. A great menu offering many delights. We sat ourselves down outside where they have many tables under the trees.

AF Museum - Continued from page 5

The hamburgers(no frozen patties here) were excellent as was the strawberry lemonade. I would highly recommend this place to anyone. We enjoyed the perfect weather, GREAT food, and were able to solve all the world's problems in probably a couple hours. At that point we all sort of split up and headed for other destinations.

Maggie and I headed up 101 to the Pavilion in Scottsdale to see if the Saturday afternoon collection of cars were located by McDonald's---we were not disappointed. We also met the Strango family and Robin there. In addition, we met John & Cheryl Ossenfort who had been at a real classic car show with the old Cadillacs, Rolls Royce, etc. Approximately 10 of those cars had come to the

Pavilion and lined up. Again, we enjoyed shuffling around:

* Saw a 32 highboy rat roadster with a V12 Lincoln flathead. * Enjoyed looking at two hemi, convertible, 4 speed GTXs---doesn't get any better than that. * Saw a number of cars from the Over The Hill Gang who have won top six at our shows. * Admired a Chrysler proto-

type that I had never seen before.

We had not been to the Pavilion for a very long time and enjoyed our time there again. Every Saturday afternoon if you are in the area.

We had a great laid back day of fun and we thank Robin Moore for another great cruise. I challenge all of you to come out and enjoy the trips he puts together for our members—he puts a lot of personal time and money in the planning and execution of his cruises. As I always say, this is the best way to get to know other members.

Come on out.
