FRIDAY NIGHTS

Galaxy Diner - Cars and members gather around 5-5:30 PM. Management reserves a couple of tables for us every Friday night. It's a great opportunity to have a malt, some fries, and hang out with fellow club members - and of course, talk cars.

I would like to thank everyone who came to visit Kelly at the hospital and Olivia White Hospice House. Your visits meant a lot to both of us. Also, thank you for the many cards and the sincere sympathy you all have shown to me and Sean. It is comforting to know that Kelly was so well loved. I don't know how I will ever get over the loss of the most wonderful and loving man I have ever known, but I thank God for the time I had with him and for the many friends who are helping me.

Thank you to everyone who attended Kelly's memorial and those who joined us for biscuits and gravy afterward. I also want to give a very special thank you to the following friends who have been angels on earth for Kelly, me and Sean:
 Jim Gore and LuAnn Hunt, Mike and Pam Ebersole and Ed and Pat Wiebe.

Sincerely,
 Kathy Perkins

Route 66 Car Club General Meeting Minutes January 11th, 2011

- 1) First subject was the Route 66 Car Club Show on Sept 7,8 & 9th. Flyer is up on the web site as well as the vender application. 485 flyers were sent to past participants and have received many phone calls. This show will be the same except for Friday Night, we are doing something different than the poker run but not a decided issue as of yet. The permit has been sent to the City of Flagstaff and we have also been adopted by the City for future car shows. (Good News!!!) Talk of possibly getting more younger people involved in the car show was discussed.
- 2) Last weekend was the *Cruisin' on the River* car show in Laughlin and members that attended were Robin, the Merrits and the Gores. Good show and good time for all
- 3) Kelly Perkins Memorial was discussed and was decided with a huge majority vote to give \$100 to Hospice in Kelly's honor. Also a banner was brought for anyone who wanted to sign it in honor of Kelly and had not signed the banner as of yet. The banner had been at the Wiebe's house after the Christmas parade and many people from the club signed. The Place on route 66 gave everyone breakfast for free after the service was conducted. That was Kelly's favorite place to have biscuits and gravy.
- 4) Kathy Strango discussed distribution of checks for charities and went into detail on the responses she received when giving out the checks which was a very heart warming experience. It was decided next year to have the participants from the different charities come to our November 2012 meeting to accept the donations in person.
- 5) A member of the City of Williams came and spoke about wanting our participation in a car show in May to help raise money for a veteran's memorial that is going up in the City of Williams. They have raised \$20,000 so far but need \$65,000.
- 6) Ladies luncheon will be held at the Olive Garden on Tuesday, January 17th The two Birthday's we are celebrating are Pat Wiebe's and Sandy Hurt's.
- 7) The calender of cruises for 2012 were presented to everyone. A lot of good cruises are planned thanks to Robin
- 8) A new form was submitted to each person who was registering for 2012 membership for the club. We are updating all information on everyone in the club such as e-mails and phone numbers
- 9) Discussed the Web Page for the car club and possibly changing it in some manner. The same cars and such have been on the web page for years so a possible change is in the works.
- 10) Upcoming events: Cruises for Freddy's and Denny's will be announced. Also, Cliff Castle Bowling will be at 2:00pm this coming Saturday Jan 14th
- 11) Dates to circle was announced for March 31sat, Mingus High School Car Show and also May 4-6th for the Fun Run starting in Seligman.

Dear Members,

On behalf of the Route 66 Car Club I want to wish each of you a very Merry Christmas & a Happy New Year!

I am forever a baseball fan, and each spring brings the hope for another great season, for my beloved Red Sox and every other baseball fan. In the same way, the coming club year brings another great season of cars, shows, and friendships, new ones and old ones.

As your President & Cruise Director, I will follow three principles on 2012. I call them the 3 E's: Educate, Encourage, and Explore. Everything we do in 2012 will be grounded in these 3 principles and values.

EDUCATE: In 2012 we will travel to 2 Museums, The Mel Martin private auto museum in Phoenix, the Grand Touring Museum in Scottsdale. Each of these museums feature antique cars, race cars (Nascar and Open Wheel racing), By EXPLORING these unique museums we will gain new insight to our precious hobby.

ENCOURAGE: Community is so much more than where we live. And as a club, that community incorporates our friends, our sponsors, and the car community at-large. The number 1 reason we have lost members over the years has not been because people have moved away, passed on, or disinterest in the hobby. It's because people have found it hard to connect with other people, or because they haven't been able to engage others in a cause within the club. As we go forward, I will do everything in my power to reverse these issues and EDUCATE them on why we do what we do. In 2012 we will ENCOURAGE new members to sit down with me at a Meet & Greet. I will meet with these new members and explain what we do:, our cruises, our meetings, our newsletter, the car show, and other activities and explain why we do them. These meetings will include other officers and members so immediately the new member will have a core of support and people they will know. If this sounds like something you would like to be involved in, I welcome your participation too.

Our sponsors deserve more than their name on a banner or card. They deserve our patronage. In 2012 we will meet for dinner at each of the restaurants that supported our 2011 show. Most of these dinners will be on a Sunday evening, and it is my hope you will join me in thanking them for their support. Our prizes for Trivia and other quiz's at our regular meetings will only come from our sponsors and we will "feature" a couple of sponsors at our meetings to remind you who they are and ENCOURAGE you to use their products and services.

EXPLORE: Starting in 2011, we started a Road Trip. In October of 2011 it was 3 auto museums in California in four days. It also included a Cruise Night at the oldest Bob's Big Boy in America and a visit to George Barris' custom build shop in Burbank. If you were to ask the people who went on this trip each of them will tell you it was not just memorable but each of us also learned some things we didn't already know.

In 2012 our Road Trip will take us to Tucson Arizona. The Franklin Auto Museum and the Pima Air & Space museum await us, along with a bevy of incredible restaurants and shopping. We do this not only because there will be a lot of great cars to see, but because there is value in traveling outside our comfort zone of northern Arizona and sitting down and sharing a meal together or a not-so-common experience. Friendships are deepend & lives are forever enriched.

So in all, lots of exciting thing are on our 2012 horizon. I ENCOURAGE each of you to share the road and the journey with me at some point along the way.

Merry Christmas and Happy New Year!

Robin Moore

Thou shall not covet another person's car. I read that somewhere
but I forgot what day it was.

March 31, 2011 is the Mingus High School Car Show. Although you won't find it on our Cruise schedule for this year, I want to make this a club trip to support an incredible auto shop program.

The time will be from 9 a.m. to 3 p.m., there will be food and drinks at the show, along with a area with H.S. students cars waiting for you to judge, you can tour their shop and speak to the teachers and students if you like. This will be a great opportunity for us to invest in young people and their interest in cars.

Obviously weather can be a factor, and I do not want to see your car out there is conditions are bad. However, if that's the case we will me at ADOT Saturday morning anyway and bring your drivers and club jackets, we will support them with a donation if you feel so inclined.

Please circle the date and keep it open, I will update you more at the next regular meeting.
