**Mingus Union High School  
7th Annual Car Show  
Saturday March 31st**

A nice little car show that is becoming a club favorite. This the show featured 100+ cars including 20 from members.

The judging was by the high school auto shop students and featured trophies hand made by the students.

Perfect weather made for big crowds and a very successful show benefitting the auto shop program. If you missed it this year, make sure you leave a spot on next year's calendar.

## Cameron Trading Post Breakfast Cruise Saturday April 14th

It was a cold a snowy Saturday morning but the intrepid members of the club ventured forth to the North to enjoy a great breakfast at the Annual club trek to the Cameron Trading Post.

Snowfall in Flagstaff was passing 6" when the hardy crew ventured out and gathered in the Saver's parking lot. Fortunately, after a few short miles the weather cleared and became a clear, although windy, day.

After lots of food, conversation, and a side trip to check out the historical Cameron bridge, we bundled up and headed back into the snowy wilds of Flagstaff.

# COLLECTING CLUB HISTORY

**Sean Evans**

With any luck (or good planning) sometime this month the Route 66 Car Club of Flagstaff will take a place in the archives of the Cline Library, Northern Arizona University. The benefits of this move are many, and the drawbacks few. The most significant thing is that the story of our club will be preserved in a climate-controlled environment along with many other collections that define the history of Flagstaff, northern Arizona and the Colorado Plateau.

We are however, starting out with what can best be described as an incomplete picture of our past. Our holdings currently include 13 binders/scrapbooks of materials collected by our historians covering the years: 2010, 2009, 2008, 2005, 2004, 2003 and an undated binder that looks to be circa 2000. In addition we have lists of our Route 66 Festival Car Show winners, and an incomplete set of Route 66 Couriers (our club newsletter) that spans 2006-2011, but has many missing issues (1-3,8,10/2006; 1,6,9/2007;12/2008; 1,2,4,5,6,8,9,12/2010 and; 1,2,5,12/2011).

The binders contain a great deal of information, and as they were created by different people, they have a wide array of information and material in them. As a club, we'll keep building them and adding them to the archives on a regular basis.

To complete the picture of what the Route 66 Car Club is, and what it contributes to Flagstaff however- we need more. It would be great to fill in those blanks in the newsletter. Anybody have stuff from 2005 or earlier they would like to contribute? How about general and board meeting minutes? Anyone THAT organized out there? Anybody know the locations or status of those 2007 and 2006 scrapbooks? How about the Festival Car Show flyers and registration forms? Does anyone have anything dating back to the club's Corvair-oriented days? How about photographs- we are a very camera happy crowd and our history wouldn't be complete without images from our events, our show trophy winners, our rides, our friends and more. Lastly- our club is part of the historic and social fabric of Flagstaff and northern Arizona. We have corresponded with the charities we have supported, the city for our events, other clubs and associations (like when we were affiliated with the Veteran Motor Car Club of America), car show attendees, the media and more. There is probably a whole array of stuff I am not even thinking about! Those are things that in time need to find their way into the archive, and represent the sorts of valuable records the archive should contain to fill out our story. Hey- I am offering you all an opportunity to clean out your desks, file cabinets and PC hard drives!

If you have anything you think would help, have questions about material you might like to donate, or questions in general about the collection or the archiving process, please contact me at: [sevans1231@hotmail.com](mailto:sevans1231@hotmail.com), or call me at (928) 526-9073.

Thanks!  
Sean Evans
