Bob Strenge took 2nd in B Body stock at Mopars on the Mountain in Prescott in May, and the Merritts took Best in Show at the 10th annual Summit Fire Department show.

Robin Moore is working with Steve Hurt & the Flagstaff Medical Center to put on a "Drive Away Cancer" day at the hospital on August 18. We will be bringing kids in the hospital fighting all kinds of cancer, out to our classic cars.

We want to take pictures with them & our cars, let them sit inside & if there well enough and feeling up to it, get taken on a short ride. We will also have therapy dogs out there and some clowns by way of the Summit Fire Department to put some smiles on their faces and make balloon animals for them. We are also trying to get a city fire truck and police vehicle.

It is our hope this will be another activity where all of the car clubs can work together to make this happen. This is and will be a tremendous opportunity to do something great for some tough little brave souls who desperately need a distraction from their daily fight with a horrible disease. Car shows are a plenty, but how many times do we really have a chance to see the results from our participation in something bigger than all of us up close?

Details are still being worked out, we will keep you all posted. I hope you will circle the date and try to join us for what I believe will be an incredible few hours in August.

Please, if you have any suggestions, we are all ears.

Flagstaff
Photos by Jim Gore

Hi, Club member's and friend's.

Sam's Club and I would like to thank you for bringing your car's out on such a short notice, helping to park cars, and set up the show.

I'm sure the Children and their parent's who have had to go to the Children's Hospital in Phoenix want to thank you also.

The Route 66 Car Club had 12 cars and 16 members and took one trophy for Ted Stringer's 37 Ford.

However some of us did see Jerry Orzbut leaving with a large trophy standing up in his back seat.

I would also like to thank the members of the other Flagstaff Car Clubs and also those who brought some great cars without belonging to a club for your support .

Thank You,
Jim Gore

The Riordan Days of Summer is a fundraising event to support the Riordan Mansion. As you may recall, Arizona chose to halt all support of state parks, Riordan Mansion included, over a year ago. Since then, Riordan is under the management of the Arizona Historical Society. It's operation has to be 100% funded from visitor fees and other fundraising events like The Riordan Days of Summer.

Last year the event was very successful raising some \$3,000 to support Riordan. We hope to make this year's just as wonderful. A really big draw for a lot of people was the Car Club's display of classic cars. It was a big hit and many folks came to the event just to see the cars.

So, we hope to have a great turnout from the Car Club. Thanks in advance to all who can come!!
