The Flagstaff Symphony Orchestra is having a fund raiser for music education at Findlay Toyota (behind the mall) on October 5th at 5:30 PM. The title of the event is "Truckin' With The Symphony" and the theme is cars, trucks, and music. It would be greatly appreciated if Route 66 Car Club members could bring their cars (or trucks!) for a free (no entry fee) car display. Car-related items (for example, B-J tickets) will also be raffled off that evening and raffle tickets will be available there.

If members want to attend the fund raiser itself, tickets are \$25 per person, which includes 2 free wine tastings and 2 free beer tastings, as well as hors d'oeuvres. However, this is not a requirement to show your car – the more cars, the better. All funds will go to music education in northern Arizona.

Advance tickets to the event will be available at Findlay or the FSO office starting September 5th.

Regards,  
John Ossenfort

## Route 66 Days Car Show Flagstaff

(Photos by Mandi)

I just wanted to write to say THANK YOU .....

In personally talking to the different Vendors, Entrants and ROTC volunteers, I can share with you that each one that came to our event this year was overwhelmingly appreciative of your hospitality and your efforts in making this show the best we have done to date.

We have had several vendors approach us this weekend requesting to be sponsors of our show next year. They were very impressed with your professionalism and in your efforts to raise money for local charities and they want to partner with us to achieve even greater success in the years to come.

Again, I want to say Thank You for your individual efforts in coming together working as a team to accomplish our common goal. We will have the totals ready to share with you at the October General Membership meeting.

Until then,

Mark Strango  
President  
Route 66 Car Club

The 20th Annual All Ford Show is coming to Sanderson Ford on October 6th. Last year we had over 175 cars and the lot across the street where spectators parked was full all day (2500+).

We are starting to promote a month earlier this year in hopes of getting to 250 cars. We'll make space on the 51st and Maryland side to accommodate as many show cars as we can get. In addition, our 50's style Stainless diner, The Starliner Diner, will be open for business. We'll have KOOL radio and a DJ for the entire show.

Awards are given to 3 levels. We will also have the Sanderson Village and Museum open for tours to the first 100 couples who enter vehicles.

Please join us, we look forward to meeting you.
